The Alliant Small Business Governmentwide Acquisition Contract (Alliant SB GWAC) is a competitive multiple award, indefinite-delivery, indefinite-quantity set-aside small business contract. The contract is designed to provide worldwide information technology solutions to federal agencies while strengthening opportunities in federal contracting for small businesses. The broad scope of the Alliant SB GWAC includes any and all components of an integrated IT solution, including all current and any new technologies which may emerge during the life cycle of the Alliant SB GWAC and information technology systems and services in support of National Security Systems, as defined in FAR 39.002. The Alliant SB GWAC provides IT solutions through performance of a broad range of services which may include the integration of various technologies critical to the services being acquired. As the definition of IT changes over the lifecycle of the Alliant SB GWAC, the scope of Alliant SB GWAC will be considered to coincide with the current definition at any given time.
